- The World Famous Disc Connected K-9's Frisbee dog show returns to the Home, Garden & Remodeling Show. Be sure to see at least one of the aerobatic, gravity-defying, high energy shows. Each dog has their own heart-warming story of how they went from being abandoned to the performers and World Champion performing dogs they are today. Sponsored by Logan Lavelle Hunt.
- Idlewild Butterfly Farm pulls out all the stops this year by offering a 13' x 13' Bug House featuring tropical insects attendees can see up close and even hold! Learn about increasing your garden's butterfly and humming bird visitors.
- Local chefs and culinary experts will be serving up their tips, tricks and signature dishes on the Cooking Stage brought to you by Semonin Realtors. There are over a dozen seminars where the audience will be able to ask questions and maybe even get a taste of a delectable dish!
- The Kids Craft area provides a space for kids to do craft and garden activities. Children 3-10 years of age will be able to take home a seed they have planted, compliments of Wallitsch Garden Center, or a sun catcher they make with Yew Dell Botanical Gardens.
